MOTION AND AFFIDAVIT IN SUPPORT OF THE
ISSUANCE OF MATERIAL WITNESS WARRANT
AND REQUEST TO SEAL

NOW COMES the United States of America, by Stephen J. Murphy, United States Attorney, and John N. O'Brien II, Assistant United States Attorney, both for the Eastern District of Michigan, Southern Division, and respectfully requests that the court issue a material witness warrant for Holy Yang pursuant to Title 18, United States Code, Section 3144. In support, the United States avers:

1. On or about April 8, 2008, the above defendants were indicted on prostitution and child pornography offenses in a 10 count indictment.
2. Ms. Holy Yang, age 18, has been identified as a prostitute who was in the employ of Defendants both as a minor and as an adult from August through October, 2007, her testimony is material in connection with the criminal case.
3. In March of 2008 law enforcement executed a search warrant at the Defendant Paige and Dutton's home. During the search, pornographic photographs of Ms. Yang, taken when she was a minor, and distributed on the internet, were found in the defendants'

residence.

4. The presence of Ms. Yang is vital and material to the prosecution of defendants. She is the only witness who can testify to certain incidents occurring outside of the State of Michigan related to her transportation as a minor for the illegal purpose of working as a prostitute as well as information regarding the production of the child pornographic images. Beyond that, it is unknown and should be determined, whether or not Ms. Yang possesses any information that may mitigate the relative culpability of any defendant.

5. The above listed witness does not have a known consistent, stable residence nor an address at which to be contacted for testimony or court appearances .

6. Investigation thus far has determined that Ms. Yang is in the Chicago area, but agents have not been successful in identifying any permanent residence. Interviews of members of Yang's immediate family, to include her mother and sister, have produced a cellular telephone number for Ms. Yang, however, to date, none of the messages left on the phone have produced return calls.

7. Ms. Yang was arrested on a prostitution offense in Downer's Grove, Illinois in October 2008. At the time of her arrest, her bond was posted by Defendant Dennis Paige. Additionally, Yang was believed to be living with one of the defendants.

8. On April 24, 2008, this Court scheduled a trial date for August 5, 2008 and the appearance of Ms. Yang is unlikely to be secured before that date unless she is brought before the Court and ordered to provide some assurance regarding her address, her ability to be contacted by the attorneys and law enforcement officers , and the likelihood that she will appear for trial.

9. The United States respectfully requests that this motion and any accompanying order be placed under seal to avoid the witness becoming aware that there is a warrant for her arrest and relocating to another city or state, thereby further frustrating law enforcement's effort to interview and secure her for trial.

WHEREFORE, the government respectfully requests that a material witness warrant issue and that the warrant remain in effect until the date of trial, or until a video deposition can be scheduled, whichever comes first.
